

# Stour Pool Surround Example Configurations

Its simple form allows the Stour Pool Surround to create a design for any application from formal pools to simple floral beds.

Example L  
4766 x 6922mm

Example M  
2814 x 2814mm

Our Stour Pool Surround can create a multitude of designs, if you have an idea and would like some assistance, please contact a member of our technical team. We will be happy to design a layout to suit your plan.
